

## nüvi® 30

Part Number: 010-00989-01

- Overview
- Features
- Specs
- In the Box

A perfect starting point for any journey, the compact nüvi 30 features a 3.5" (8.89 cm) touchscreen and provides accurate, turn-by-turn directions that speak street names.

Get Turn-by-turn Directions

nüvi 30's intuitive interface greets you with 2 simple choices: "Where To?" and "View Map." Touch the screen to easily look up addresses and services and to be guided to your destination with voice-prompted, turn-by-turn directions that speak street names. It comes in 2 mapping versions and has preloaded maps for the lower 48 states plus Hawaii and Puerto Rico or full coverage of the U.S. and Canada. nüvi 30's speed limit indicator shows you how fast you can go on most major roads. With its "Where Am I?" emergency locator, you always know your location. It also comes preloaded with more than 5 million points of interest and offers the ability to add your own.

## Know the Lane Before It's Too Late

Now there's no more guessing which lane you need to be in to make an upcoming turn. Available in select metropolitan areas, lane assist with junction view guides you to the correct lane for an approaching turn or exit, making unfamiliar intersections and exits easy to navigate. It realistically displays road signs and junctions on your route along with arrows that indicate the proper lane for navigation.

- Navigate right out of the box with preloaded maps.
- View routes on the 3.5" (8.89 cm) touchscreen.
- Look up addresses for more than 5 million points of interest.
- Hear spoken street names.
- Know the lane before it's too late with lane assist with junction view.
- Keep out of trouble with the built-in speed limit indicator.
