

eTrex® H

Part Number: 010-00631-00

- **Overview**
- **Specs**
- **In the Box**

Perfect for outdoor enthusiasts on a budget, eTrex H comes with a high-sensitivity GPS receiver that locks onto satellite signals quickly and maintains accuracy — even in the toughest conditions. And just like the popular eTrex, this little yellow wonder combines an intuitive interface and a rugged exterior into a lightweight handheld that fits in the palm of your hand.

Enjoy Clear Reception

With its high-sensitivity, [WAAS](#)-enabled GPS receiver, eTrex H locates your position quickly and precisely and maintains its GPS location even in heavy cover and deep canyons. The advantage is clear — whether you're in deep woods or just near tall buildings and trees, you can count on eTrex H to help you find your way when you need it the most.

Built for Adventure

You can operate your eTrex H with just one hand using five buttons, which are located on either side of eTrex H within easy reach of your fingers. Thanks to its bright yellow case, eTrex H is easy to find in your boat or backpack. And, eTrex H is IPX7 waterproof, so it can take an accidental splash or dunk in the water and still continue to perform.

Find It and Go

With eTrex H, your adventure can last and last — up to 17 hours on just 2 AA batteries. While you roam, you can store up to 500 waypoints in memory for easy retrieval. Just enter the point you want to go to, and eTrex H points you to your destination (no street or terrain maps). To get home, use Garmin's exclusive TrackBack® feature to reverse your track log and help you navigate back to your starting point.

eTrex H: Lock onto the great outdoors.

Physical & Performance:	
Unit dimensions, WxHxD:	4.4" x 2.0" x 1.2" (11.2 x 5.1 x 3.0 cm)
Display size, WxH:	1.1" x 2.1" (2.8 x 5.4 cm)
Display resolution, WxH:	64 x 128 pixels
Display type:	4 level gray LCD
Weight:	5.3 oz (150 g) with batteries
Battery:	2 AA batteries (not included)
Battery life:	17 hours
Waterproof:	yes (IPX7)
Floats:	no
High-sensitivity receiver:	yes
Interface:	serial
